4. All teams should be in similar uniforms and worn properly.
5. Eligibility. Players shall be age eligible pursuant to USA SOFTBALL National Code. Playing age shall be based on age as of Jan 1st of the current playing year.
6. Proof of age and identification must be furnished upon request. Teams must have proof of USA SOFTBALL Individual Registration and Birth Certificates available for review at the tournament.
7. Team Manager will be responsible for their players at all times. The Team Manager is also responsible for their fans.
8. Field assignments may vary according to weather conditions or at the discretion of the tournament director. Team officials are responsible for staying in contact with tournament officials in the event of inclement weather or any unforeseen incident.
9. The coin toss shall take place on the field. Home team will keep the official score book. It is the Managers responsibility to ensure agreement on an accurate score.
10. Coaches will be advised at the pre-game to have all offensive players keep their helmets on while outside the dugouts. Helmets must fit and be worn properly. If a player removes her helmet while on the field of play during a live ball situation, after being call out a warning will be issued to the coach and the specific player. If the same player removes her helmet again during the game, she will be ejected.
11. Only rostered players, two coaches, one manager, one scorekeeper and one bat person will be allowed in the dug-out. All coaches must remain in the dug-out area throughout the game.
12. **On defense, a team may place two coaches on the outfield grass for the purpose of coaching the defensive players only. The defensive coach may coach any of his defensive players in the same manner as he would coach from the dugout. If the defensive coach does not stay on the outfield grass, one would be removed from the position for the remainder of the game. If a coach is removed from the defensive coaching position, another one of the team's coaches will be allowed to become the defensive coach. All rules concerning interference or obstruction will apply to the defensive coach.**
13. **Game time is forfeit time. A game will consist of seven (7) innings or a one hour (1 hr.) time limit. No new inning shall start after fifty-five minutes (:55). Should we get ahead or behind scheduled game times due to weather or other reasons, be prepared to take the field for your games as time allows us to play them. It is the manager's responsibility to know when your games will be played.**
14. **A run rule of fifteen (15) after three (3) or ten (10) runs after five (5) innings will be used.**
15. **One-half inning will consist of three (3) outs or seven (7) runs, whichever comes first.**
16. **All rostered players on each team will be listed in the batting order. Up to eleven (11) players may play defense, thus allowing 5 outfielders. If teams have different numbers of rostered players, the team with more players may elect to play only the number of players as on the other team; then the remaining players may be substituted for the starting players. (Example: Team A has 12 rostered players and Team B has 14 rostered players- Team B may choose to play only 12 players; however, Team A must play their 12 players).**
17. **A team must have nine players to start a game. The tenth (10) batting slot WILL NOT be an out. If a player arrives late to a game, they will be added to the bottom of the line-up and will bat at the proper time.**
18. **In case of sickness or injury, the game will continue as long as each team has nine players. An out will be recorded when a player cannot take her turn at bat.**
19. **The pitcher is a fielding position only. The pitcher must stay within a 5' diameter circle "Pitcher's Circle" until the ball is hit. Infielders must play no closer to the batter than 35 feet with one player in the pitcher's position. Outfielders may be no closer than 85' from home plate at the time of the batter's swing.**

20. The catcher must stay behind home plate and to the opposite side of the batter until the ball is hit. The catcher may not interfere with the batter. Catcher must also wear her facemask.
21. Two defensive coaches may be positioned in the outfield for defensive instructions only. The coach may not touch the players or enter into the infield.
22. One coach from the team that is batting will be responsible for adjusting the "tee" to the satisfaction of the hitter. The umpire will place the ball on the tee and call aloud "play ball". The coach is responsible for removing the tee and bat from the playing area after the ball has been hit fairly out of the catcher's circle.
23. The batter is allowed three swings. If the batter fails to hit a fair ball after three swings, she will be called out. It is not counted as a swing if the batter accidentally knocks the ball off of the tee while addressing the ball.
24. Any ball hit fairly out of the catcher's circle is a live ball.
25. No bunting is allowed. Penalty: The batter is out.
26. Runners may not advance if the ball does not travel outside the catcher's circle.
27. Base runners will be allowed to advance one base on an over-throw at first base. The base runners may have unlimited advancement with liability to be put out with an overthrow at any other base.
28. The umpire will call time when all play has ceased. Runners will not be allowed to "jockey" between bases; they must continue to the next base or return to the last base touched. When any fielder has control of the ball and the lead runner is stopped at a base, the umpire will declare the ball dead and play will stop. Any fielder may also throw the ball back to the pitcher. Time will also be called when the pitcher has possession of the ball in the pitcher's circle. Base runners will be sent to the nearest base as of the time the ball crosses the pitcher's circle. Umpire judgment is final and will not be questioned.
29. Up to eleven (11) players may play defense with five (5) outfielders. 18. **In case of sickness or injury, the game will continue as long as each team has nine players. An out will be recorded when a player cannot take her turn at bat.**
19. **A coach will pitch to his own team from a distance of 35 feet and must keep in contact with the pitching rubber when the pitch is released. Failure to do so will result in an illegal pitch and a strike**

will be called on the batter. If a batted ball hits the pitching coach, the ball is declared dead and the pitch is replayed. If the umpire rules the pitching coach interferes with the batted ball intentionally, the batter is out and no runners can advance. If the pitching coach interferes in a defensive play, the ball becomes dead and the runner being played on will be declared out and all runners must return to the base occupied at the time of the interference.

20. The pitch may be without an arch, but with moderate speed. Pitches of excessive speed will result in a warning to the pitching coach. A second warning of pitches of excessive speed will result in the removal of the pitching coach from the pitching position.
21. The pitching coach cannot coach batters or base runners, but may verbally encourage the batter. This is especially important during a live ball play. The penalty is a warning the first time. A second offense will result in the runner being called out and the coach being removed from the pitching position for the remainder of the game.
22. If a batter fouls the ball on the fifth (5th) pitch, the batter will be granted another pitch. The batter will continue to bat until one of the following occurs: (1) puts a ball in play, (2) swings and misses completely, or (3) does not swing at all.
23. The umpire will call time when all play has ceased. Runners will not be allowed to "jockey" between bases; they must continue to the next base or return to the last base touched. Umpire judgment is final and will not be questioned.
24. There will be NO INFIELD FLY RULE. Base stealing will not be allowed.
25. Infielders must play no closer to the batter than 35 feet with one player in the pitcher's position. Outfielders may be no closer than 85' from home plate at the time of the batter's swing. Any fielder can make a play on any runner.
26. When the pitch is released, the team pitcher must be within 3 feet to the left or right of the pitching rubber, not in front of the pitching rubber.
27. In case of sickness or injury, the game will continue as long as each team has nine players. An out will be recorded when a player cannot take her turn at bat.
28. The on-deck batter shall take a position within the lines of the on-deck circle nearest the offensive team bench. If no circle exists, the on-deck batter will warmup at a safe distance from the batter's box. Neither team's players shall warm up in the other team's on-deck circle.

Respect for the game, the opponents, coaches and officials is a critical part of the environment that is created. USA Softball of South Mississippi implements this “zero tolerance” policy toward any cases of abuse that are reported and confirmed by umpires, parents, spectators, managers/coaches or board members. This policy is effective immediately.

Abuse at its simplest is defined as any deliberate action that makes an individual feel physically threatened, verbally intimidated or emotionally humiliated. Disrespectfully objecting to calls, yelling at, publicly calling, constantly disagreeing with an umpire by action or verbally can be deemed umpire abuse. Coaches should always show decorum, respect and observe all game rules whenever questioning an umpire about a call. Parents/fans are expected to be a positive role model by treating all players, coaches, officials and fellow spectators with respect and support. Officials are required to conduct themselves in a businesslike, sportsmanlike, impartial and constructive manner at all times.

The penalties for coaches, parents and/or fans with any confirmed case of umpire abuse will be:

- **1st incident** - Umpire may give warning or take any other appropriate action, including reporting the incident to the League President, Umpire-In-Chief, and District Commissioner.
- **2nd incident** – Two (2) game suspension for a coach regardless of past history, coaching experience or program involvement. This suspension will be IN ADDITION to any suspension due to an ejection from a game, before returning, coach must take coach development course(s) as the league and League President deems appropriate. Threats of future physical action, e.g. parking lot meetings, are automatic two (2) game suspensions.
- **3rd incident** – A lifetime ban from coaching any USA Softball of South Mississippi team or program.
- Any incident that involves physical abuse by bodily threatening, shoving, bumping or harming an umpire or anyone will result in an immediate indefinite suspension and notification of proper authorities.
- In addition, if a coach confronts an umpire after a game in order to continue verbally abusing an umpire, these penalties will be increased to 3 games for the 1st and 6 games for the 2nd incident.

Ejections require an investigation to determine if further penalties should be considered. Complaints may also originate from anyone threatened or with direct knowledge of the incident. A manager or coach wishing to be reinstated will have to appear before the USA Softball of South Mississippi Coaches Review Board for a hearing. Each league shall honor the suspensions and disciplinary actions of the other member leagues.

Managers and coaches are expected to lead by example, and enforce these policies where necessary. For example, if a parent/spectator is making comments on umpire calls, the manager and/or coach should ask them to refrain. The above penalties would apply to the coach that allows this behavior to occur. If it continues, they will be asked to leave and/or authorities may be called.

Zero Tolerance Policy Concerning Other Teams and Players

Managers, coaches, players and parents should demonstrate good sportsmanship toward other teams and players. Managers and coaches are the role models for players and parents and should make every effort to be friendly and cordial before, during and after games. Good plays should be applauded by both sides. No razzing or “Hey, batter batter”, chatter towards the other team is permitted. Never make negative remarks about players on either team. Examples of such behavior can include things such as saying, loud enough to be heard, “he can’t hit,” “pitchers can’t pitch”, calling attention to miscue by player, sarcasm, etc. This is unacceptable by anyone - managers, coaches, players, parents or spectators.
